### Teaching Modality for the New Academic Year

The University of Belize wishes to inform both new and returning students about the teaching and learning modalities for the new academic year, beginning Semester I, August 1, 2021.

- Programs in the Faculty of Education and Arts (FEA) will continue to be delivered online. Internships will be by mixed modality (face-to-face and online).
- Programs in the Faculty of Management and Social Sciences (FMSS) will be mostly online with some supportive face-to-face interactions. All internships will be face-to-face.
- Programs in the Faculty of Science and Technology (FST) will be by mixed modality. All FST laboratory courses will be face-to-face.
- Programs in the Faculty of Health Sciences (FHS) will be face-to-face – laboratory courses, clinical clerkships and practica while theory courses will be mostly online, with some blended.

The University Registrar has advised that the first semester schedule will be open for viewing on 2nd July and hence students will be able to see courses and modality of delivery at that time.

Students who would like to know more on a particular course can call the relevant Faculty Office.

FEA – 822-1000 ext 350

FMSS – 822-1000 ext 144

FST – 822-1000 ext 414

FHS – 822-1000 ext 320

The University of Belize looks forward to receiving both new and returning students for the new academic year and we thank all our students, parents and our Faculty and Staff for working together with us to manage within this pandemic era so as to ensure our mutual success. We will engage you face-to-face or in an online modality or in a blended way, striving to engage you wherever you may be in Belize. As we try to manage with the COVID-19 pandemic and its uncertainties, let's continue to work together to make your future at UB a success.

Thank you for your attention.

Office of the President
